

EO/DD/S&T

A/DD/S&T

1. I received the attached from [REDACTED] O/DDI, this afternoon. As mentioned in his note to me, OCI responded to two questions in Para. 2, but the third question on the impact of the Soviet space treaty on American intelligence activities [REDACTED] felt that this was not in the DD/S&T purview. [REDACTED] thinks that a phone call would suffice for a reply on this point.

2. Do you wish me to staff this out. I thought, at any rate, that you and Carl should be aware of the Senate Committee query.
